

ICE CUBE : CUBIST EXPRESSIONISM

The Ice Cube wasn't named by chance. This artistic seat has been literally sculpted into a functional and surprisingly comfortable chair. With its matching footstool and colourful finish Ice Cube has really come into its own.

JEAN-PIERRE AUDEBERT : A FAST CAREER IN FRENCH DESIGN

French interior designer, member of the renowned Paris "Société des Artistes Décorateurs", an organisation which groups the crème de la crème of French designers, both in the areas of interior design and architecture. Graduated from the "Ecole Boulle", Audebert earned his spurs with home interior projects and designs for financial institutions, public buildings and schools. He devised a range of different projects for the French High-Speed Train or TGV network.
