

**CHINOOK : FUNCTIONAL AESTHETICS**

The armrests adjustable into four positions and the optional adjustable headrests make the difference between sitting and really relaxing. The feet integrated into the sofa are a surprising decorative touch and a paragon of aesthetic design.

CHRISTOPHE GIRAUD : AN ACCOMPLISHED DESIGNER

As French architect, he graduated from the famed "Ecole d'Architecture de Normandie". Giraud covered the full gamut of architectural pursuits with due success: from devising public and private buildings, across designing showrooms and boardrooms right up to conceiving packagings and utensils. Architecture he describes as "aiming for balance between space and matter, between form and function".
