

# Daydreamer Lounge

Design: Joachim Nees

## Daydreamer Lounge : Dynamic lounging

Relax in welcoming comfort. This lounge chair is just as generous and perfect to snuggle into as its successful counterpart the Daydreamer reclining chair. Its organic design gives it a youthful look. The separate footstool adds a great deal of flexibility, and the back can be steplessly adjusted with the handy lever. This gives lounging a dynamic dimension.

## General model info

- Lounge chair with built-in tilt mechanism and optional freestanding footstool.
- Available in leather or fabric.
- Leg armchair : 4-star swivelbase lacquered in one of the JORI standard colours (see general info)
