

**DAYDREAMER : ODE TO THE COSY NEST**

With its lack of any straight surface, the Daydreamer is very generous and makes a great place to snuggle down. Just the comfort and support you need to unwind after a challenging day. Which is just what you'd expect from JORI. The wavy base in timeless black or bronze textured lacquer and the combi-upholstery in fabric and leather provide the perfect finish to the Daydreamer's organic and enduring story.

**Joachim Nees**

After Joachim Nees (1967) completed his studies in industrial design at the University in Darmstadt he went to work as a furniture designer. In his work he attaches particular value to the quality and materials. Defender of the principle that 'form follows function', the future user is the central point in his creations, many of which have received major Design Awards.
