

**PEGASUS JR-P688 : STRIKING & SURPRISING**

The Pegasus footstool is striking and surprising by its integrated swivel mechanism and the different possibilities of color combinations. This light and mobile footstool, especially presented in combinations, is ideal for setting up reception areas. Optionally, you can obtain a matching tray allowing the footstool to be used as a side table.

JEAN-PIERRE AUDEBERT : A FAST CAREER IN FRENCH DESIGN

French interior designer, member of the renowned Paris "Société des Artistes Décorateurs", an organisation which groups the crème de la crème of French designers, both in the areas of interior design and architecture. Graduated from the "Ecole Boulle", Audebert earned his spurs with home interior projects and designs for financial institutions, public buildings and schools. He devised a range of different projects for the French High-Speed Train or TGV network.
