

COMFORT PACK SALES PROMOTION Till the end of December 2013 you can benefit from a special discount in the form of extra comfort options on your purchase of any JORI seat. For 10% of your purchase price, you can choose between additional comfort-generating options. These options may include additional comfort features on the model you purchased, but you can also choose side tables, cushions, a footstool ... All depending on your purchase price. In a word, a comfortable deal.

This sales promotion can not be combined with the Cavila sales promotion.
