DESIGN RADAR

Seven standout launches that should be on every design lover's radar.

BAENUE
Can a lamp help you sleep? Baenue's Mini combines portable design with light engineered to support the body's natural transition from day to night.

FERMOB
After mastering the outdoors, Fermob finally moves inside. Voulez-Vous brings the brand's signature soft curves and playful colour palette to its very first indoor sofa.

POMAX
Revives Léon Stynen's furniture legacy with the LS56 and LS26 lounge chairs, photographed in the renowned Belgian architect's former home.

SOPHIE BILLE BRAHE
Swaps pearls for glass: Cellophane Nuage translates the Danish jeweller's fluid forms into hand-blown Murano vases inspired by memory, family and the sea.

MLLE JO'S
Youmy rethinks the side table through modular design, allowing its origami-inspired form to divide and reunite as needed.

LOUISE ROE'S
Alice Object turns an ancient amphora into a sculptural porcelain centrepiece.

JORI
Designed by Jean-Pierre Audebert, JORI's Andante blurs the line between lounge chair and design object without compromising on comfort.
